No better way to impress your clients than to invest in staff professional development!

**It is not too late to register! - Sign your staff for the upcoming
Foundations of Association Management Course!**

***Join other association professionals who have signed up- meeting
planners and coordinators, membership services, account executives, as
well as. finance, marketing and communication professionals!***

We have designed a course with the AMC owner in mind. With input from AMC owners, we have developed a Foundations of Association Management Course- an 8 Module Interactive Course conducted over the span of 3-days- **September 22 to 24, 2020**. Your employees will be able to quickly and efficiently learn important association information, including membership, programs and services, working with volunteers, professional standards, marketing and communications, meetings and events and much more. See all the Course Modules at <https://www.blochreed.com/programs/fam>
